Take advantage of this great group class that will introduce music and piano skills to your preschooler. Key concepts of this class include teaching note recognition on the piano and on the staff, rhythms, tempo, ear training, proper technique at the piano. It will also focus on expanding your preschooler's imagination, creativity, and enthusiasm to learn about music. By the time your preschooler is ready to start kindergarten, he/she will also be ready to start private piano lessons!

Musical Theatre Masterclass

Middle school and High School Students
Thursdays 5:30-6:30

September 9 - November 11 (10 classes)
Final performance - Saturday Nov. 13th at 7:00

Cost - **\$200**

\$150 for current Arboretum Music School Students

Musical theatre performers will be challenged to integrate three distinct but complementary skill sets: singing, movement/dancing, and acting. Our Musical Theatre vocal training is designed to provide students with vocal technique, development and knowledge of repertoire, and performance training necessary for the musical theatre stage. Students study in group voice classes and receive some individualized instruction focusing on realistic approaches to learning music for contemporary audition situations within industry standards. The class will end with a performance on Nov. 13th entitled "A Cabaret of American Song".

Arboretum Music School Show Choir

Grades 2 - 5

Students will learn to act and sing on stage as they perform the musical "A Small Part of the World" that includes 13 songs from around the world. They will learn to sing solos and chorus numbers and take an active role in making costumes. They will also learn the basics of stage movement and presence. The class will be a wonderful introduction to Musical Theatre and help prepare students to be a part of musicals in Middle and High School.
